Dear Mr. Marvel:-

Would you please tell me who I could get in touch with to find out about perpetual care for our Lot in the Cemetary.

Maybe you can answer ~~two~~ or three questions for me. Are we supposed to have that rosebush in the middle of the lot also is anyone supposed to set plants in the ground or leave them in the pots. Most places down here they have to be left in the pots and the pots have to set near the stones.

Thanks for any information I am enclosing a stamp for reply.

SPECIAL NOTICE

The Millers River Cemetery Corporation was incorporated under the laws of Massachusetts a number of years ago. This entitled it to hold Trust Funds for perpetual care of lots.

The officers advise and encourage all lot owners to place perpetual care on their lots.

The minimum amount under the present interest rate is $100. Only the interest on the Fund can be withdrawn.

For a number of years the Cemetery Corporation at its annual meeting has voted to assess lot owners $2 per year for care of lots, except those who have already placed perpetual care on their lots.

We are sorry to say, there are some lot owners who do not pay their assessment each year.

The officers urge all to help beautify the cemetery.
